

NICHOLAS P. MICHNEVITZ, III, AIA, *PRINCIPAL*

Nicholas is a Principal at MBH ARCHITECTURE, LLC and has been with the firm since 1988. He is a graduate of the Boston Architectural Center with a Bachelor of Architecture Degree. Nicholas is a certified Architect with the National Council of Architectural Registration Boards (NCARB).

Nicholas has worked on Healthcare and related projects for the past twenty years and has developed a rich understanding of their environments and technical requirements. His personal involvement in each project placed in his charge, provides a continuity and successful transition for each phase of design process.

Recently, Nicholas has developed projects for a broader Healthcare market focusing on new perspectives in Holistic Health and Sustainable Environments. His Holistic approach involves a variety of studies including: Feng Shui, Sacred Geometry, Shamanic, Sustainability, Green Building, Astrology, Economy, Energy and Spirit. Nicholas has lectured on such topics throughout the State. Nicholas has designed over 100 Healthcare projects including but not limited to: Hospitals, Skilled Nursing Facilities, Assisted Living, Independent Living, Physical Rehabilitation Centers, Alcohol & Drug Rehabilitation Centers and Holistic Wellness Centers.
